Jonah's Whale

I can feel it
I can feel it
Just like someone new is stood in my shoes
I can feel it
I can feel it
In the way you take away my blues

I'm in heaven
I'm in heaven
But I swear my feet are still on the ground
I'm in heaven
I'm in heaven
And I pray I'm never coming down

Just when I thought my chances
Of finding joy were looking thin
Just when I'd put my coat on
That's when love walked in

Cause you make me happy
Yeah you make my heart feel light
Oh you make me happy
I got the world off my shoulders
And I'm feeling alright

Oh It's got me
Oh It's got me
Just like Jonah's whale it's swallowed me whole
Oh it's rocked me
Yeah it's rocked me
It's rocked me right down to my soul

When I wake up
In the morning
And I take a walk down that same old street
Well the sunshines
Like the first time
And the breeze never felt so sweet

Thought I might spend my whole life
Like an exile at heavens gate
I guess it's true a good thing
Don't come a day too late

Cause you make me happy
Yeah you make my heart feel light
Oh you make me happy
I got the world off my shoulders
And I'm feeling alright
